UNDERSTANDING YOUR ACCOUNT BALANCES

March is National Consumer Protection Month — a great reminder to stay alert as scams continue to rise, especially during tax season.

Scammers may pose as the IRS, Social Security, delivery companies, or even your financial institution. They often create urgency and ask for personal information, passwords, or immediate payment through gift cards, wire transfers, or cryptocurrency.

Remember: MembersFirst will never call, text, or email asking for your full password, PIN, or one-time security codes.

Stay Safe:

- ✓ Don't click links from unknown texts or emails
- ✓ Hang up and call back using the number on our official website
- ✓ Be cautious of urgent "act now" messages
- ✓ Enable multi-factor authentication when available

If something feels off, trust your instincts and contact us directly. We're here to help you stay protected.
